

# WHITE CLIFFS WALKING FESTIVAL

25<sup>TH</sup> TO 30<sup>TH</sup> AUGUST 2022

## Welcome to the White Cliffs Walking Festival programme

We are pleased to be able to offer a wide variety of walks, the details of which you will find below.

For most of the walks the maximum number of walkers has been set at 40, but there are several walks where there is a lower limit.

This means that you must book in advance if you wish to take part in one or more of the walks. Please do not turn up to the start of a walk without booking, you may be disappointed if the walk is fully subscribed.

This year we are using Eventbrite as our booking system. To book a place please click on the link for the walk that you are interested in. For each walk you may book a place for yourself and up to three others. Once you have made your booking you will receive a confirmation email via Eventbrite.

**IF FOR ANY REASON YOU ARE UNABLE TO ATTEND A WALK, PLEASE CANCEL YOUR BOOKING SO THAT YOUR PLACE MAY BE MADE AVAILABLE TO SOMEONE ELSE.**

You will have noticed that we have used **///what3words** in this walks programme. What3Words is an app that you can download to your desktop / laptop or mobile device. Within the app, every three-metre square of the world has been given a unique combination of three words. This makes it more precise than a six-digit OS map reference (100 square metres), whilst a postcode can cover a much wider geographical area.

To use the app to obtain directions to a what3words address, enter the what3words address in the format **word.word.word**. Select the correct result and then tap the 'Navigate' button. You will then be able to select your preferred navigation app (e.g. Google Maps / Waze etc.).

There are some known issues when using what3words that you should be aware of. The address needs to be entered into the app correctly. Common mistakes include leaving out the 's' when one or more words in the address is a plural. Secondly, mistyping a word (e.g., 'live' for 'love') could take you to a location on the other side of the world!

Some points to remember:

- **Walk times** – check the times of any walk you are attending and plan to arrive at least 15 minutes beforehand.
- **Follow the instructions of the walk leader** – let the walk leader set the pace and stay behind her / him.
- **Clothing / footwear** – please wear appropriate clothing for the grade of walk and weather conditions.
- **Food and drink** – please bring your own snacks and drink, especially enough water on a hot day.
- **Dogs** – unless specified **Registered Assistance Dogs Only**, you may bring your dog on a walk, but please always keep your pet under close control.
- **Payments / donations** – for some walks there is a small charge, or you may be asked to make a donation to help cover our costs. Unfortunately, we do not have the means of taking a card payment, so please bring sufficient cash with you.
