

COMMUNITY GRANT & SMALL CAPITAL GRANT AWARDING POLICY

COMMUNITY GRANT

Wingham Parish Council has legal powers to issue grants or subsidies to village organisations. The purpose of such grants is to support initiatives in the local community which will benefit all residents of the parish. A limited amount will be set aside in the Council's budget each year for this purpose.

ELIGIBILITY

- The Village Organisation application must demonstrate how the grant will benefit Wingham and its residents;
- Grant applications must be made in advance of the project commencing - grants will not be issued retrospectively;
- New organisations or new project applications will be considered as well as applications from existing organisations;
- Organisations who have been awarded a grant previously are not guaranteed to receive financial support again, but are not excluded from applying each year;
- Applications for day to day running expenses and individual projects will be considered;
- The organisation applying must demonstrate that it is properly managed and able to run its financial affairs responsibly. Submission of the most recent audited accounts (or those examined by a suitably qualified person) with the application would be an acceptable way to do this;
- The organisation must have a bank account in its own name.

WHAT WILL NOT BE CONSIDERED

- An application for political purposes;

- The decision will be communicated to applicants as soon as possible following these meetings.

CONDITIONS OF GRANT SUPPORT

- **The successful organisation or project must provide a receipt for the grant;**
